COMMENTS:

We are for it, but this whole project is being studied to death at wasteful cost of taxpayer money. Can't anyone in our Govt make a final decision and charge ahead.

Please note: Your comment(s) must be received by the Department of Energy by June 1, 2004 to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice are visible, then secure with tape.

Please feel free to attach additional pages (if mailing, more postage may be needed).
