Subject: comment on Yucca Mountain

LSN: Relevant - Not Privileged
User Filed as: Excl/AdminMgmt-14-4/QA:N/A

To whom it may concern,

I [I am writing to object to the plan to store nuclear waste at Yucca Mountain. A site with multiple fault lines running through it is, in my opinion, a very poor place to store material that will remain radioactive for tens of thousands of years. I hope that the government will abandon this plan.]

Thank you,
Seth Schneider
